PROFESSIONAL SUMMARY

Highly motivated Computer Science graduate with a proven track record in web development, database management, and proficiency across key programming languages including Python, Java, JavaScript, C, and C++. Seeking a challenging position as an entry-level professional, bringing hands-on experience in Core Java/J2EE and a strong foundation in web development using the MERN stack. Dedicated to delivering high-quality solutions and achieving project success. My adaptable skill set ensures a seamless fit into any dynamic professional environment.

EDUCATION

Bachelor of Computer Applications <i>Amrita Vishwa Vidyapeetham, Mysore</i>	October 2021 - June 2024 GPA: 8.3
---	--------------------------------------

TECHNICAL PROFICIENCIES

- **Database Management:** MongoDB, MySQL
- **Web Development:** Express.js, React.js, Node.js, Bootstrap
- **Programming Languages:** Python, Java, JavaScript, C, C++

EXPERIENCE

Web Development Intern <i>Prodigy Info Tech</i>	Jan 2024 - Feb 2024
Web Development Intern <i>Bharat Intern</i>	Jan 2024 - Feb 2024
Web Development Intern <i>CodSoft</i>	Jan 2024 - Feb 2024

PROJECTS

Twitter Clone

- Developed a MERN stack Twitter clone, featuring real-time tweet updates, token-based authentication, and a responsive design for seamless social media interactions.
- Utilized MongoDB for data storage, Express.js for server-side logic, React.js for the front end, and Node.js for the backend.

Reactogram

- Built a MERN stack Instagram clone with a focus on user-friendly photo sharing.
- Integrated MongoDB for data storage, Express.js and Node.js for the backend, and React.js for the front end, providing a seamless experience with features like image uploading, user profiles, and social engagement.

React Code Editor And Syntax Highlighter

- Developed a responsive React Code Editor and Syntax Highlighter utilizing Prism.js for enhanced readability, offering real-time preview and customization options.
- This front-end project empowers users to seamlessly write and visualize code across various programming languages.
